Re: Diplomatic visit and formal recognition

Mr. President:

On August 18th, 2021 a nation was born. **The United Territories of The Sovereign Nation of The People's Republic of Slowjamastan** is an 11.05-acre nation, located just south of San Diego, accessed by CA State Highway 78, situated between the American towns of Ocotillo Wells and Westmoreland.

I am The Sultan of Slowjamastan and I am pleased to inform you that I will soon be performing diplomatic missions in Central Asia. I will be in Moscow on October 25th and it is my wish to meet you, shake your hand and have a photograph. This could be the beginning of diplomatic relations between your great nation and The Republic of Slowjamastan. Would you kindly assist in this request?

You may contact me at sultan@slowjamastan.org. You may visit www.slowjamastan.org to learn more about our glorious, new nation. We will wait for your correspondence.

With warm regards,

Randy Williams
Sultan
