Dear Deputy Hernandez:

On Saturday, February 26th, at approximately 9:30PM Slowjamastan Standard Time, you executed a traffic stop that involved part of The Republic of Slowjamastan's state convoy, specifically, the official vehicle that The Sultan and two of his staff members were traveling in.

While others might have taken your impedance on their travel as a nuisance, or even an act of aggression - The Sultan, along with The Republic of Slowjamastan, would like to commend you on both your valor and professionalism. It takes much bravery to attempt a stop on officials from a foreign nation. Not only did you execute the stop, but you kept a cool head and were courteous and respectful the entire time. For this, The Sultan wishes to extend an official commendation to you. Congratulations; this is well-deserved and the first of its kind.

Finally, as you know, The Republic of Slowjamastan is a small but growing nation. We would like you to consider becoming a part of the Slowjamastani Special Forces. We need brave and bright young men like yourself to help maintain state security, protect the Sultan and keep our lands and border secure – to keep the hoodrats *in*, and the hooligans *out*. And while our starting salary may not compete with Imperial County's, we do offer many benefits, including free *Jazzercise* classes on Wednesdays. We encourage you to apply today at slowjamastan.org.

For now, please accept the enclosed commendation, signed by The Sultan, and a small cash prize. Stay safe, and may God Bless you and the fine folks of Imperial County, United States of America.

All the best,

His Excellency
Randy Williams
Sultan of Slow Jams
