December 2<sup>nd</sup>, 2021

Dear President Biden:

It's not me, it's you. Head's up that **The United Territories of The Sovereign Nation of The People's Republic of Slowjamastan** has seceded from **The United States of America**, and that, as of **December 1<sup>st</sup>, 2021 A.D. at 12:26PM SST**, our 11.07 acres are now completely independent and no longer part of the USA.

Also, please don't send in the troops. We are a peace-loving nation and wish to cooperate with The United States in almost every way (except for the taxes and laws...and we kind of have our own National Anthem, so there's that. It's a real toe-tapper!)

Oh, and you're invited to come visit anytime. BYOB please, for both your liquid intake *and* output – we're still working on the sewer and water sitch. Electricity and roads aren't quite complete either. Come to think of it, let's go ahead and throw in a request for some of that good ol' U.S. foreign aid while we're at it...check or money order payable to "The Sultan." Please and thanks.

Strong hug,

His Excellency Randy "R Dub!" Williams  
Sultan of Slowjamastan
