December 2nd, 2021

Dear Mr. Guterres:

Hello my friend! Calling in a favor: Would you please admit our cool, new, little country into the **UN**, if you have a moment this week? Formal name is **The United Territories of The Sovereign Nation of The People's Republic of Slowjamastan**, but you can just call us "Slowjamastan." We broke it off with the **USA** as of **December 1st, 2021**. And hey, if **Nauru** and **Equatorial Guinea** can be UN members, should be no problem to pencil us right in, am I right?

I did take a look at your fees, and *ouch!* And I thought *gas* was getting expensive! We might have to arrange some sort of trade deal, in lieu of our membership dues, what do ya say? Or, perhaps a free, six-month trial membership, like **Sports Illustrated**? They even sent me a free *Football Phone*! Make it happen!

Anyway, thanks in advance for saving us a seat at the UN – in the first five rows if possible (Sorry, I hate to be *that* guy.) We plan to attend your next session in **New York**. Please let me know if you have any hotel room hookups or if you and I can even go *halfies* on a room together. Like your fees, those NYC hotel rates are highway robbery!

Strong hug,

His Excellency Randy "R Dub!" Williams
Sultan of Slowjamastan

P.S. Please accept my **Facebook** request.

P.P.S. If there's any way you can let me know this week – I'm updating my business cards.
