Dear comrades at The City of San Diego:

It is with the gravest of disappointments, yet a steadfast commitment to justice, that we must officially request an in-person appeal at The San Diego Superior Court. We are utterly convinced that the esteemed judges of this high court possess the necessary wisdom to grant the dismissal this case so obviously deserves – a sharp contrast to the comedic missteps performed by the previous lower-level officials involved in this matter.

Regrettably, this incident, born from a momentary lapse in judgment by a rookie parking attendant, has sparked widespread outrage among the citizens of The Republic of Slowjamastan and even turned your own citizens against the city. Public opinion, collected both on the streets of Slowjamastan and across the border inside the USA, as well as numerous international news and opinion pieces, clearly indicate the significant damage this situation has inflicted on Slowjamastan-US relations.

While we are prepared to deploy our legal team to appear at The San Diego Superior Court, we magnanimously offer you a final opportunity to dismiss this case, thereby saving both Slowjamastan and US taxpayers from unnecessary expenditure. The security detail required for The Sultan alone at your courthouse will be exorbitant and undoubtedly disruptive.

Please be informed that our Sultan and legal team will NOT be in The United States and UNABLE to appear during the following dates: May 21-27, Jun 3-7, Jul 8-12. For your convenience, the most suitable dates for our schedule include Jun 28, Jul 1, Jul 5, and Jul 14.

Strong hug,

Bob Dobalina
