Glory Museum Office, Classified Materials Archive Master  
(C.M.A.M)**

**Sultan, Ladies & Gentlemen, on behalf of [Engineer Miss  
Monkey] + [Jack NOT de Parsons], please find as follows the  
retired and slightly burnt parachute used in SLOWJAMASTAN's  
first and only space mission consisting of the flight of the  
Experimental Rocket SLJ-0001-69 codenamed "MONKEY  
BUSINESS".**

**Said rocket was launched officially on SLOWJAMASTAN's soil on  
November 22<sup>nd</sup> 2025 at about 15h30-to-15h35 Slowjamastan  
time. The rocket flew for exactly 33 seconds with an estimated  
top elevation reach of 1000+ feet. The rocket was fully  
recovered and operational on American lands, ½ mile south of  
Glorious SLOWJAMASTANI lands.**

**With sincere appreciation for your graceful support.**
